Monster Dash

- The race went well. We don't have the final numbers yet.

Cowlenders

- Still collecting money from the students. We have collected less than half from the 33 students participating in the fundraiser.

Uniforms:

- An email will be going out to remind the students to dry clean their uniforms before the trip to Chicago.

Mr. Provost:

President (Susan Wells):

- We need to get the final figures from the concession stand earnings and come up with an item to purchase for the team.
- We need to move forward with the nominating committee. There needs to be one chair and two additional members to identify parents willing to serve as booster officers next year. It was decided that Jeff Mc Neill, Dana Pass and Shannon Harrell would serve as the nominating committee.
