- Check out the videos linked on the band website to learn a few basics and the choreography. I recommend you watch and follow along with each video several times and practice!
- Contact Leslie Ware (guard@ochsband.com) with any questions, concerns, or technical difficulties you may have! Check your emails regularly for opportunities to get help with the routine via Zoom, and feel free to send in practice videos with questions or to ask for feedback before submitting your official audition video.
- Film yourself performing the routine with music. Your entire body and your entire flag must be visible for the entire video. Please wear athletic attire and pull your hair away from your face.
